Your Generosity at Work

YOU participate in a very big way

by supporting our annual auction. At the MCS Aylmer Resource Centre alone, there was 4,766 visits within one calendar year. This represents only one program of MCS (Settlement Services). So many more are supported at FESPA, through the Radio, at Employment Services and at the Thrift Store. All of these departments, together with the auction, would not run without the 200 plus volunteers that help every single year in so many ways.

MCS provides transportation, interpretation, family education, and employment services as well as communication through radio.

Visit us at mcson.org

MCC is a global, non-profit organization that strives to share God's love and compassion through relief, development and peacebuilding.

So many volunteers contribute their time and talents to this annual endeavor, including planning committee members, auctioneers, cooks, servers, technical support staff, registration staff, gofers, and more. Numerous local businesses and individuals also contribute by donating items to be sold, and by making financial donations to cover overhead costs (facility rental, food, etc.).
