<b>Job Title:</b>	Researcher – summer position (6 weeks)
<b>Posting Date:</b>	April 2019
<b>Job Summary:</b>	<u>This position funded by CSJ</u> and is offered exclusively to students and those under age 30. This position is for a youth/student looking for research experience. The Program Director will supervise this worker. MCS will provide a mentor for continued growth with job skills for future success. Job is for 6 weeks with 30 hours a week, between May and August.
<b>Core Competencies:</b>	Must have university training. Must be fully competent and have some research experience. Must have good oral and written communications skills. Must be willing to work independently.
<b>Core Job Duties:</b>	The researcher will work through the copious data accumulated by our programs on services rendered to ascertain strengths, weaknesses, and gaps.
<b>Requirements and Qualifications:</b>	Meet with staff to understand programs; Research past and current programs; Establish a research plan to fit within the six weeks; Document trends within the various MCS programs; Write a summary of results.

Only suitable applicants will be asked to complete an application or be invited for an interview.
